Port of Call

Berlin (Warnemuende), Germany

Since its 1990 reunification, this capital city has become one of Europe's hottest destinations. Visit the fascinating palaces at Postdam or relax on a river cruise along the Spree River. Then stroll along the chic, tree-lined "Unter den Linden Strasse."

Tallinn, Estonia

Founded in 1154, Estonia's capital is one of the oldest cities on the Baltic Sea and remains largely unchanged. Explore Upper Town, offering excellent views of the ancient city wall. Lower Town offers the Great Guild, Holy Ghost Church and numerous medieval merchants' homes.

St. Petersburg, Russia

Built on a grand scale like the visions of its founder, Peter the Great, St. Petersburg has regained much of the sophistication it earned and then lost during its many transformations. The strong European influences of this once imperial capital are simply fascinating. Built on a grand scale like the visions of its founder, Peter the Great, St. Petersburg has regained much of the sophistication it earned and then lost during its many transformations. The strong European influences of this once imperial capital are simply fascinating.

Helsinki, Finland

Finland's capital is a blend of classical and modern architecture with Russian and Swedish influences. Shop Market Square where you'll find local handicrafts. Or visit Senate Square and Tempeliahaukio Church, carved from solid granite.

Stockholm, Sweden

Laced by an ingenious network of waterways and bridges strung between a freshwater lake and the sea, Stockholm is easily seen on foot or by waterway cruise. Its gabled old townhouses peer over cobblestone streets, while its magnificent 17th-century palace sits watching over the harbor.
