**Cozumel, Mexico** Long before Cancun became a popular destination, Cozumel was well-known as a diving spot and home to the world famous Palancar Reef, which gives divers the opportunity to view thousands of brilliantly colored fish. Non-divers can kick back on a sun-drenched beach, or enjoy any number of seaside activities, such as shopping in colorful marketplaces or dining in an open-air café.

**Progreso, Yucatan, Mexico** A seaside retreat located just 40 kilometers north of Merida along the Gulf Coast of Mexico, Progreso is quickly becoming an important gateway for cruise ship guests. Founded in 1872 by Juan Miguel Castro and heavily influenced by the Mayan culture, Progreso enjoys a very simple and relaxed lifestyle. Its white-sand beaches, emerald green waters and cooling gulf breezes are a natural draw for vacationers from all over the world.
